Sprint 4 UI Completed Prototypes

Reset Password Implementation

A UI prototype for a password reset form. It features a dark blue border around a white central area. At the top, the title "Reset Password" is displayed in a large, bold, black font. Below the title, there are two input fields. The first is labeled "New Password:" and contains the placeholder text "Your new password". The second is labeled "Confirm Password:" and contains the placeholder text "Confirm your new password". Both input fields have a small eye icon on the right side, indicating a toggle for password visibility. At the bottom of the form, there is a prominent blue rectangular button with the word "Submit" written in white text.

Events page implementation

Search for an event

	ACTION	RECIPIENT TYPE	RECIPIENTS	ACTIONS
1	Part Built	Users	Administrator Person	<div>Edit</div>
2	Product Built	Roles	Basic User, Inventory Manager	<div>Edit</div>

Add a new Event

Add new event modal implementation

The 'Add New Event' modal is a light gray box with a dark gray border. It has a title bar at the top with the text 'Add New Event' on the left and a close button 'X' on the right. The main content area is divided into three sections. The first section, labeled 'Action:', contains a dropdown menu with the text 'Select an action' and a downward arrow. The second section, labeled 'Group:', contains three radio buttons: 'Customers', 'Users', and 'Roles'. The third section, labeled 'Customers:', contains a text input field with the placeholder text 'Select 1 or more customers'. At the bottom right, there are two buttons: 'Cancel' and 'OK'.

Add New Event X

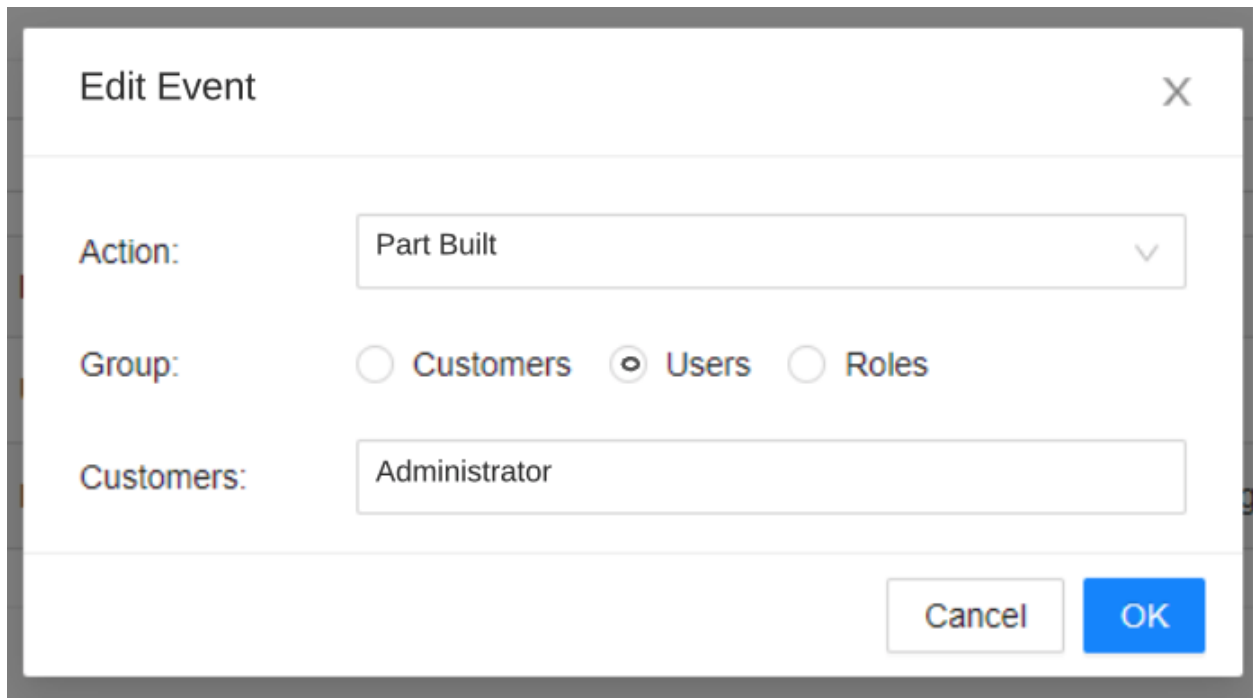

Action: Select an action ▼

Group: ☐ Customers ☐ Users ☐ Roles

Customers: Select 1 or more customers

Cancel OK

Edit event modal implementation

The 'Edit Event' modal is a light gray box with a dark gray border. It has a title bar at the top with the text 'Edit Event' on the left and a close button 'X' on the right. The main content area is divided into three sections. The first section, labeled 'Action:', contains a dropdown menu with the text 'Part Built' and a downward arrow. The second section, labeled 'Group:', contains three radio buttons: 'Customers', 'Users', and 'Roles'. The 'Users' radio button is selected, indicated by a filled circle. The third section, labeled 'Customers:', contains a text input field with the text 'Administrator'. At the bottom right, there are two buttons: 'Cancel' and 'OK'.
