Sprint 3 UI Completed Prototypes

Create Customer Prototype

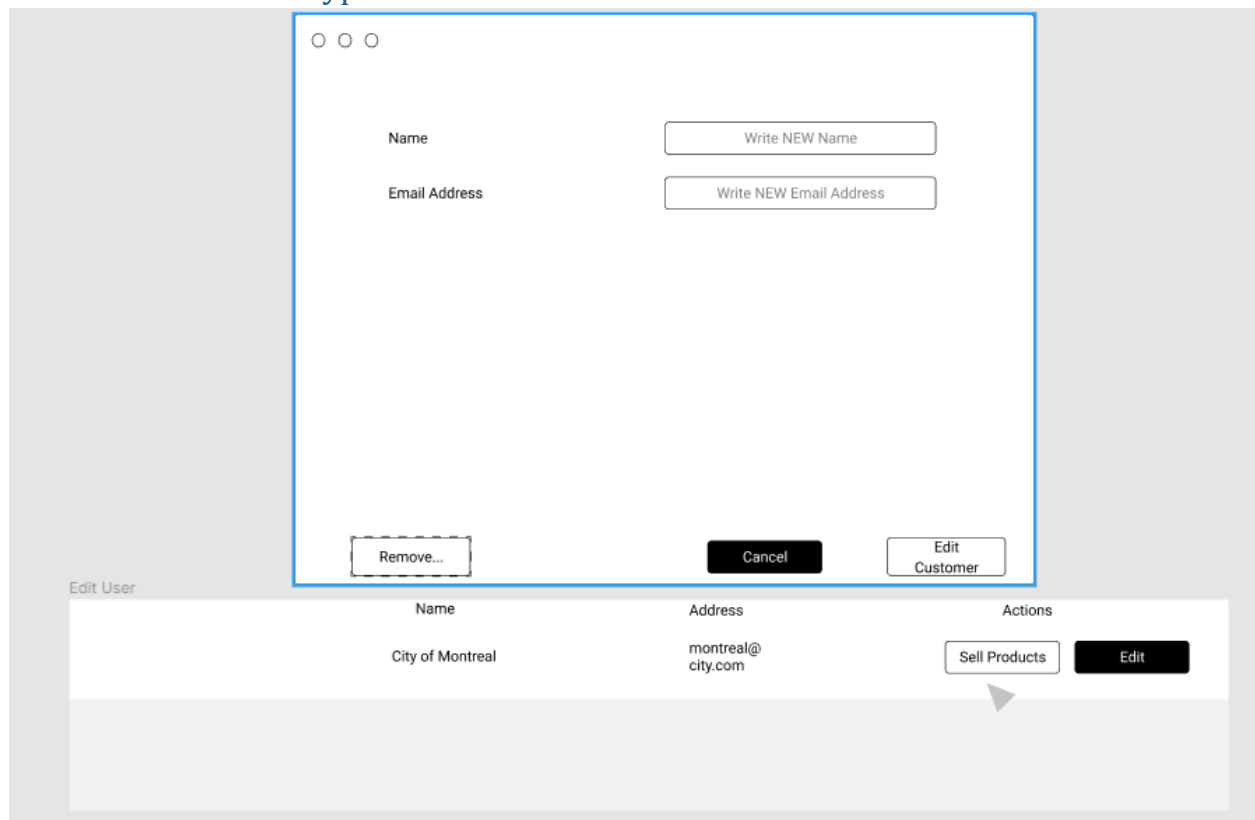

A wireframe prototype of a 'Create Customer' dialog box. It features a title bar with three window control buttons (minimize, maximize, close) in the top-left corner. The main content area contains two labels, 'Name' and 'Email Address', each followed by a text input field. The input fields are pre-filled with the placeholder text 'Write Name' and 'Write Email Address' respectively. At the bottom of the dialog, there are two buttons: a black 'Cancel' button on the left and a white 'Create Customer' button on the right.

Create Customer Implementation

A final implementation of the 'Create Customer' dialog box. The title bar reads 'Create New Customer' with a close button (X) in the top-right corner. The form contains two input fields: 'Company:' with the placeholder 'Enter the company name' and 'Email:' with the placeholder 'Enter an email address'. At the bottom right, there are two buttons: a white 'Cancel' button and a blue 'OK' button.

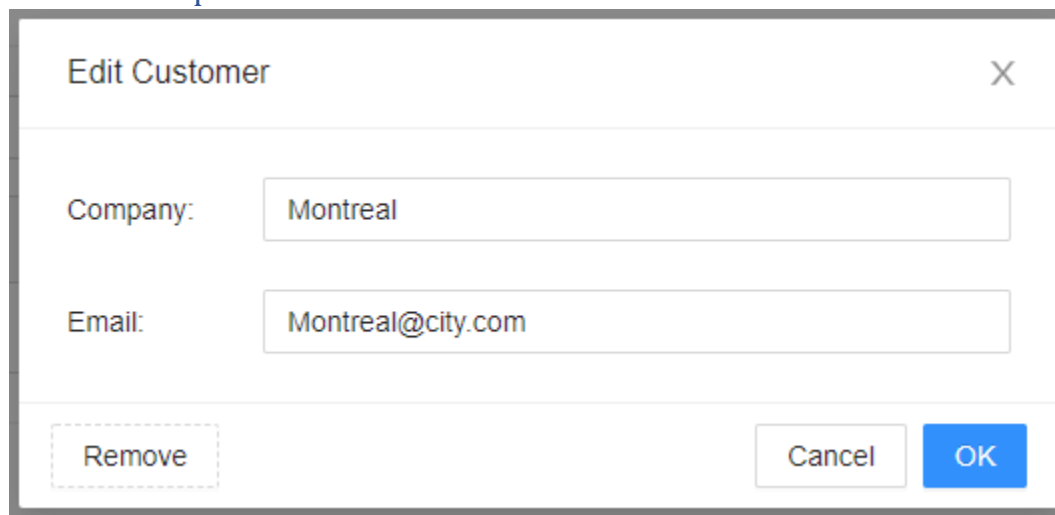

Edit Customer Prototype

The diagram illustrates a prototype for editing a customer. It features a main window with a title bar (three circles) and a content area. The content area contains two input fields: 'Name' with a placeholder 'Write NEW Name' and 'Email Address' with a placeholder 'Write NEW Email Address'. Below these fields are three buttons: 'Remove...' (dashed border), 'Cancel' (solid black), and 'Edit Customer' (solid white). A grey arrow points from the 'Edit Customer' button to a table below. The table has three columns: 'Name', 'Address', and 'Actions'. The 'Name' column contains 'City of Montreal', the 'Address' column contains 'montreal@city.com', and the 'Actions' column contains 'Sell Products' and 'Edit' (solid black button).

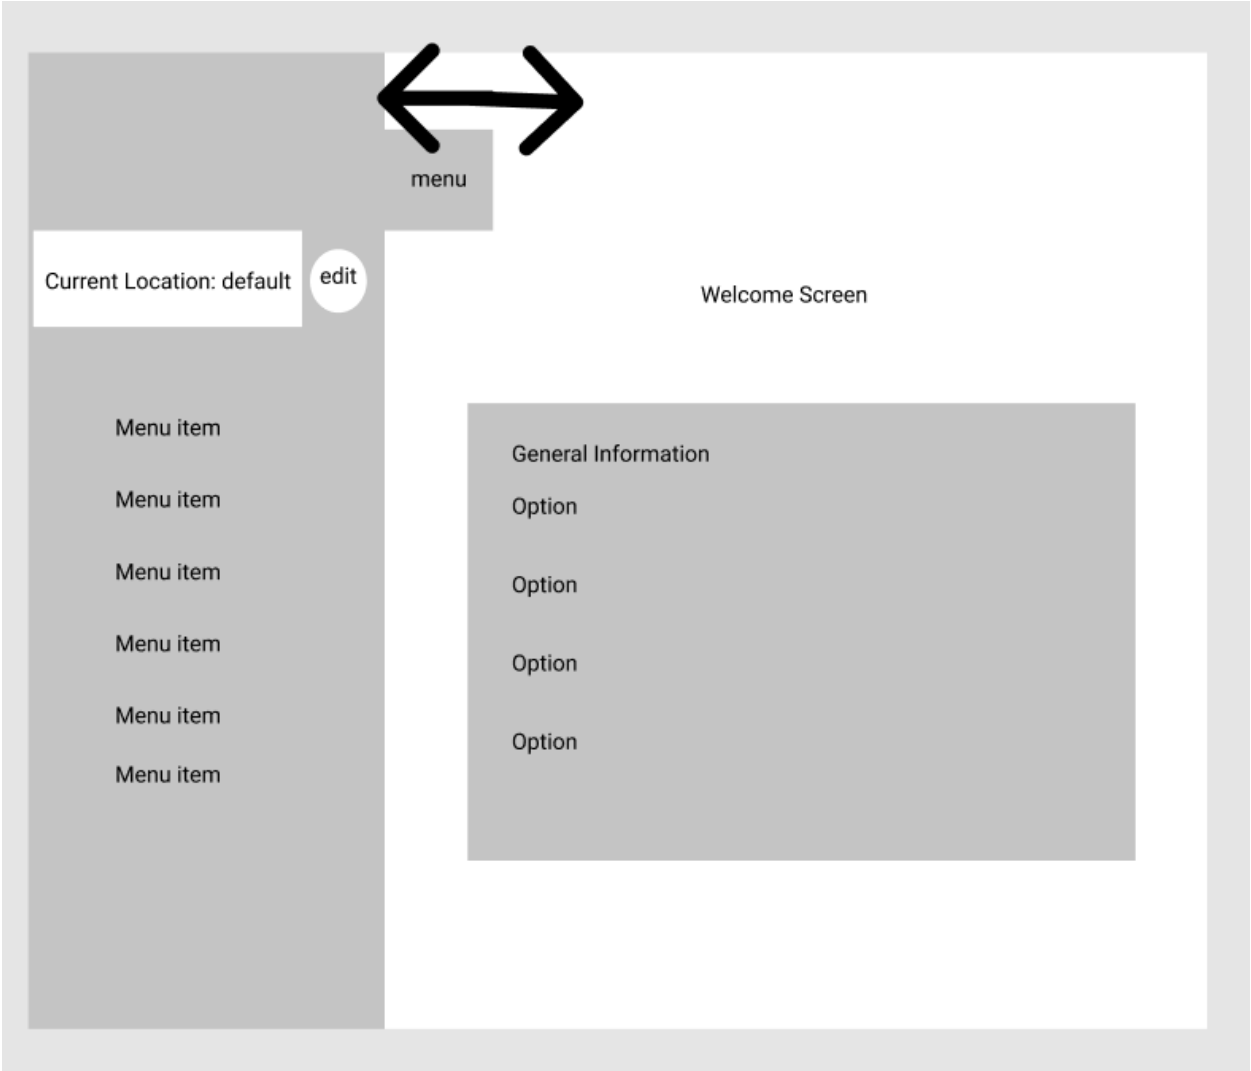

Name	Address	Actions
City of Montreal	montreal@city.com	<button>Sell Products</button> <button>Edit</button>

Edit User Implementation

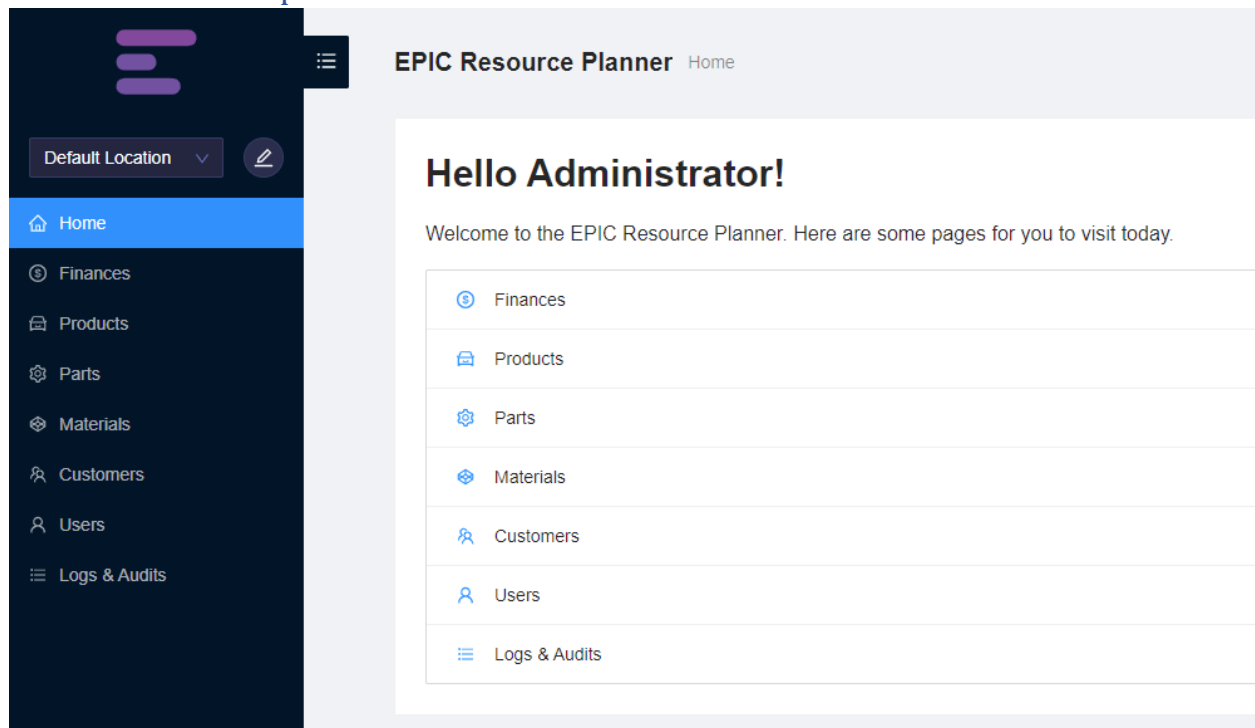

The screenshot shows a window titled 'Edit Customer' with a close button (X) in the top right corner. The window contains two input fields: 'Company:' with the value 'Montreal' and 'Email:' with the value 'Montreal@city.com'. At the bottom, there are three buttons: 'Remove' (dashed border), 'Cancel' (solid white), and 'OK' (solid blue).

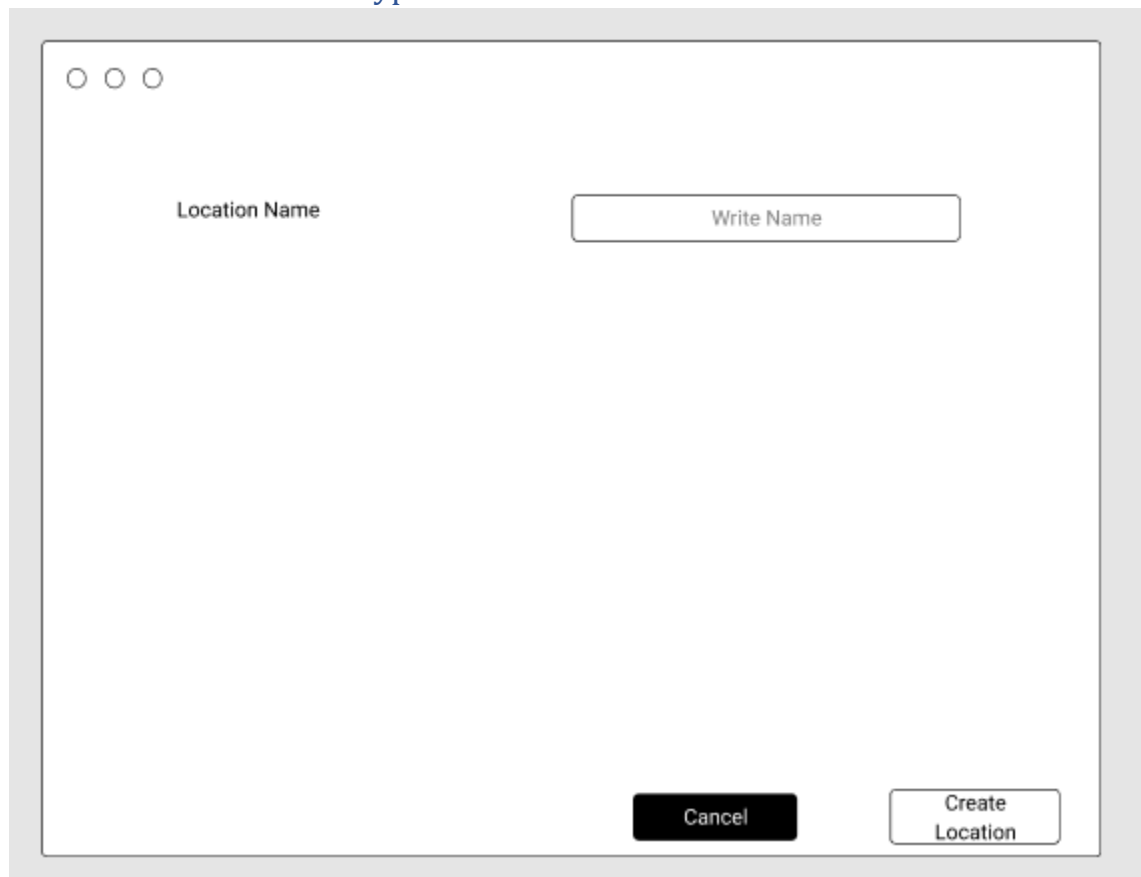

Location Select Prototype

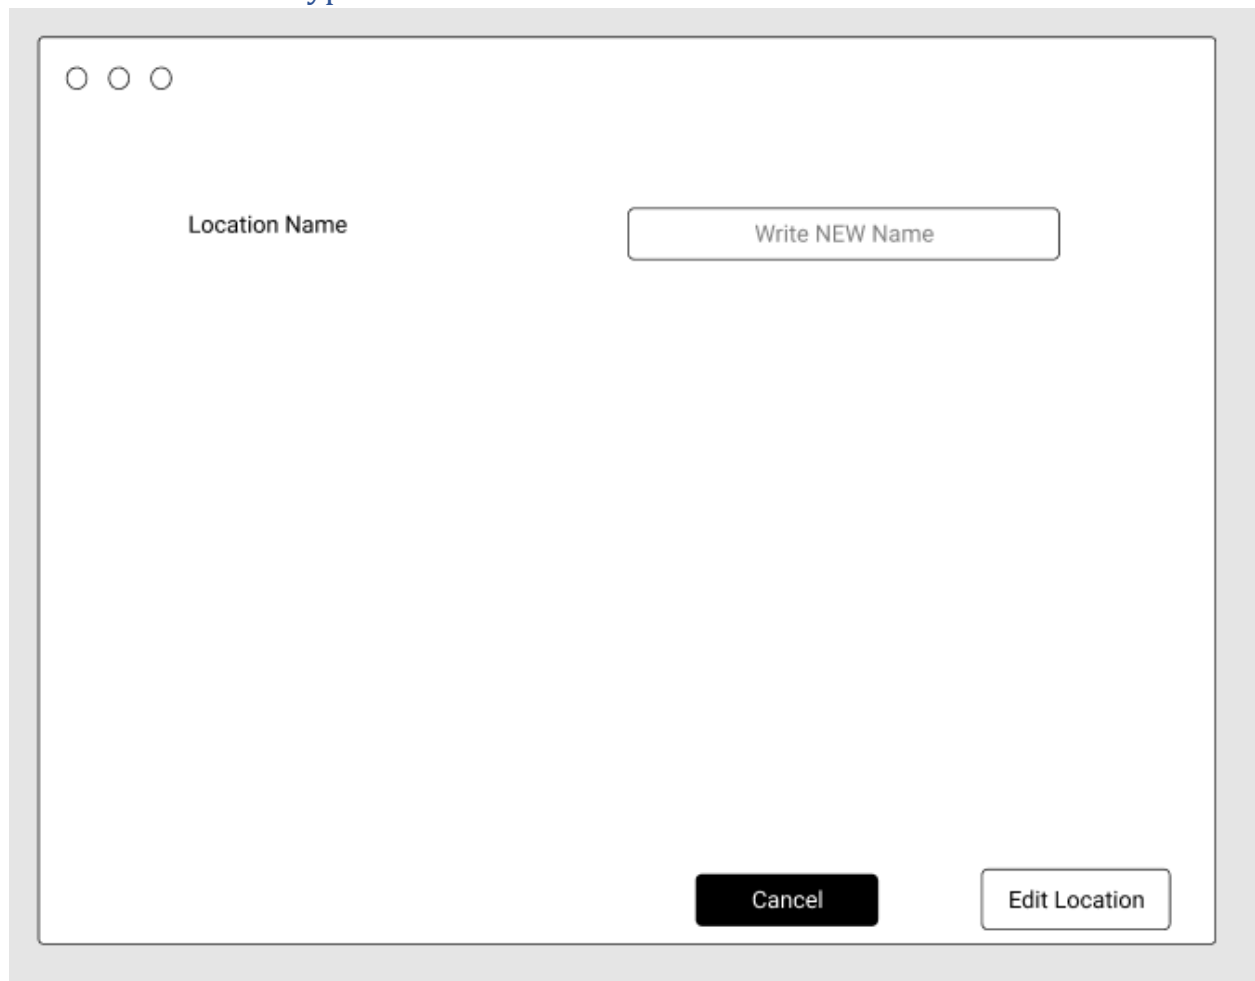

Location Select Implementation

Location Creation Prototype

Location Edit Prototype

A prototype of a location editing interface. It features a window with three small circles in the top-left corner. The main area contains a label "Location Name" and a text input field with the placeholder "Write NEW Name". At the bottom, there are two buttons: a black "Cancel" button and a white "Edit Location" button.
